

DIRECTIONS : Take One (1) capsule in the morning and one (1) in the evening, or as recommended by your healthcare practitioner.

- **CURCUMIN** with boswellia may help promote long-term joint health and lubrication.
- Boswellia has been used for centuries due to its many benefits.
- **CURCUMIN** utilizes our patented BNRE technology to obtain the most out of the boswellia extraction process. Coupled with our curcumin the benefits are enhanced, which suggests a promotion in collagen production and a decrease in joint pain.

WARNING: If you are pregnant, nursing, taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature.
