

Directions: SHAKE WELL. Adults take 2 measuring tablespoons daily. May be taken directly or mixed in water or juice. Do not exceed recommended daily serving.

PCLQ Collagen Pluse 6000 with Hyaluronic Acid combines essential, natural ingredients in a comprehensive liquid formulation. Hyaluronic acid plays a critical role in skin health with its unique ability to hold in moisture. As we age, skin moisture can drop significantly, which makes the skin lose elasticity and expose the signs of aging on the skin. Its great tasting orange flavored liquid formula is easily absorbed by your body.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. **KEEP OUT OF REACH OF CHILDREN.** STORE IN A DRY COOL PLACE
